Bringing the Good News of Jesus Christ to Children of the World

Queridos Amigos de Jesucristo (Dear Friends of Jesus Christ),

It is with much joy that we can again report on the work being done in Ecuador to bring the love of Jesus to children and families! We celebrate the accomplishments happening through the generosity of God's people. We feel privileged to partner with our ministry director, Priscila, and the wonderful staff at Centro Metro Ecuador (supported by Children's Ministries, Inc.) whom God has called to be a light in this corner of the world. We continue to ask for your prayers as needs are brought to our attention. So many lives are being transformed by the power of the Gospel!

WE GLADLY SHARE THE FOLLOWING MINISTRY SNAPSHOTS DIRECTLY FROM PRISCILA

Miracles Still Happen

The team at Centro Metro Ecuador is celebrating and praising God for the continued evidence that HE performs miracles. This was recently evidenced by the miraculous healing of Darwin, a 14-year-old boy involved with the ministry. Darwin became ill last March during the Coronavirus and finally sought care from the hospital in Guayaquil. His family admitted him to the hospital and after testing was told his pancreas was deteriorating. The hospital and doctors said there was nothing they could do to help him. Basically, Darwin and his parents were told he was going to die. Instead of accepting this, they asked for prayers. The Centro Metro Church members, friends and family prayed over Darwin and God brought about his miraculous healing. The doctors, nurses and staff at the hospital could not believe that Darwin got better instead of dying as they thought would happen.

We hope you will bring up Darwin's amazing story as told by CMI director, Priscila, on the Children's Ministries Inc. Facebook page at <https://www.facebook.com/Childrens-Ministries-Inc-595921254206559>. You too will be lifted up by this miracle of faith!

Darwin is shown here sharing his testimony during a church service. He asked to share his testimony so others could hear and see the miracle God did in his body. Darwin also asked to share a sermon since he plans to become a minister of the Word someday. The worship team heartily gave their blessing and enjoyed Darwin's sermon two weeks later. What a joy to see God at work in this young man's life!

Sergio Toral

Even though the CMI team has not been allowed to travel to the impoverished barrio of Sergio Toral since the beginning of the Covid-19 pandemic, the CMI ministry team stays in close contact with many of the people living in this area. The team uses a phone app called WhatsApp, a two-way communication tool where messages can be shared. They include motivational Bible stories and videos for the children. **EVERYDAY**, Priscila shares a message and memory verse with a few people who own cell phones in Sergio Toral and they in turn deliver these teachings to the children. The kids feel God's love and care coming from the CMI ministry team and look forward to each day's message! What a creative way to bring joy and smiles to so many during such difficult times!

Graduation as Bishops

Gina (Priscila's sister), Uriel (Gina's husband) and ministry director, Priscila have completed another step in the journey for theological studies. They are now ordained Bishops of the Republic of Ecuador. They send their "Thank you" to God and all the people who supported them in doing God's work.

This is a picture of the front area of the church where the team has worked HARD to keep clean and make it look nice. They want people to feel God's love and be comfortable and safe coming here.

A Few Families Involved with the Centro Metro Ministry

These are two new families who are very involved with our ministry. They have been such a blessing as they share their love of the Lord with others!

Outreach Evangelism

Pictured here is evangelism in the hospital of Guayaquil at night where we preach the gospel and pray for their needs. But we also provide a hot drink and sandwich to help many of them as they cannot eat either because of time or they can't afford the expense to eat.

Many are so sensitive that when they share about their children in the hospital they explode into tears.

They know that there is someone who is there to help if they ask for it. That person is our Father in Heaven.

We have heard so many stories that amazed us. Many will text or call later to share with us that the Lord has given them a miracle for their relatives. It is so motivational for us to continue doing this because we see God using us to see more miracles. Praise be to the Lord who is alive and still saving and doing awesome things among us.

THANK YOU, PRISCILA, FOR SHARING THESE BEAUTIFUL STORIES OF GOD'S WORK IN ECUADOR!
